Yes PROP 1

Bring **Vancouver** Home.com

There is a **housing crisis** in Vancouver, and the most vulnerable people in our community are struggling to afford rent & have enough money left for other necessities.

DID YOU KNOW?

The vacancy rate in Vancouver is less than 2%.

Who are some of **VANCOUVER'S** most vulnerable citizens?

Seniors

Seniors on fixed incomes are struggling to pay rapidly rising rents. Prop 1 will create opportunities for our seniors to live with dignity & independence in homes they can afford.

Hardworking Families

Half of working families are paying over half their income in rent. Prop 1 will build workforce housing that hardworking families can afford & still have enough money for basic necessities like groceries & childcare.

Children

Each night there are over 2,200 school children in our community who are homeless. Prop 1 will give these children a chance to succeed by building homes their families can afford.

DID YOU KNOW?

In the past 5 years average income in Vancouver has only gone up 3% while rents have gone up 38%
